Sir,

Establishment-temporary-Record staff-District Court, South Kanara-one clerk for one year-sanction-requested.

I am directed to request that His Excellency the Governor in Council will be pleased to sanction the employment of a temporary clerk on Rs.35 per mensem for a period of one year in the District Court of South Kanara. The District Judge, South Kanara states that prior to the introduction of the Record Destruction Register in 1916, registers called Index Books were maintained in the Record Room of his court. These Index Books are the sole guide as to whether the records of a particular suit have been retained or destroyed. It is reported that the Index Books relating to the District Munsif's

Court and the Sub-Court, Mangalore, which are more than century old, are worn out, many of the leaves having become mutilated owing to the inferior quality of the paper used and from lapse of time. New books have to be written up for those courts with reference to the records of suits and this task is reported to be likely to engage a clerk fully for at least six months. It further appears that as many as 14,191 bundles of records of some of the old courts in the district abolished a long time ago have to be sorted carefully in order that the records that have to be retained may be entered in the Index Book and that those ready for destruction may be destroyed. This work is equally laborious and is likely to engage a clerk for at least 8 months. It is impossible to throw the extra work mentioned above on the existing record staff of the District Court, without seriously impairing their efficiency and dislocating the current work. In the circumstances mentioned above, the Hon'ble the Judges consider it necessary that a clerk should be sanctioned for one year and I am to request that sanction may be accorded to the proposal.

2. The extra cost during the current year can be met from the existing provision under 24 (a) (ii) Civil and Sessions Courts-Pay of Establishments-Temporary-Voted.

I have the honour to be,
Sir,
Your most obedient servant,

Registrar.

Finance (E.R.)

The employment of a temporary clerk on Rs 35 p.m. for a period of one year in the District Court of South Kanara may be

accepted in Finance in the circumstances pp1-2 of stated by the High court. As the establishment is purely temporary and as the extra cost involved is only Rs 420, it is perhaps 35×12 = 420 unnecessary to place the matter before the Finance Committee.

The draft order may be accepted.
